If the resultant premium differs from the provisional premium, the difference shall be payable by or to the insured as the case may be, but the amount payable by the company shall not exceed 50 percent of the provisional premium.

Special conditions applicable to cheques

First amount payable applicable to theft of cheques

Any loss or series of losses attributable to one original event which is payable under this section and which results from the theft of any cheque or cheques shall be reduced by a first amount payable of 25 percent of the loss indemnifiable by this section unless:

1. Cheques drawn by the insured
 - a. the cheque has been drawn and crossed exactly in accordance with the undermentioned "Recommended South African Insurance Association (SAIA) procedure for drawing and crossing of cheques" or any other superior method approved by the SAIA and the printed portion of the cheque (as opposed to the written or typed portion) has been printed by the bank itself or a printer licensed to print cheques by the Automatic Clearing Bureau, or
 - b. the cheque has been dispatched to the payee by certified post or any post where the security is equal or superior to certified post.
2. Cheques drawn by someone other than the insured and which were received by the insured by post or directly by the cashier
 - a. such cheque has been crossed and marked "not negotiable" and marked "not transferable" immediately on receipt thereof by the insured, and
 - b. the insured is able to identify the drawer and amount of the cheque from their records.
3. Cheques of which the insured is the true owner which were drawn by someone other than the insured and posted to the insured but not received
 - a. the cheque has been drawn and crossed exactly in accordance with the undermentioned "Recommended SAIA procedure for drawing and crossing of cheques" or any other superior method approved by the SAIA, or
 - b. the cheque was dispatched to the insured by certified post or any post where security is equal or superior to certified post, or
 - c. the invoice of the insured (to which the payment by cheque relates) contains a message (approved by the company or SAIA) recommending or requiring that the cheque be drawn in accordance with the undermentioned "Recommended SAIA procedure for drawing and crossing of cheques".

Recommended SAIA procedure for drawing and crossing of cheques and printing of blank cheques

1. Drawing and crossing of cheques

One of the safest methods of drawing and crossing a cheque which is acceptable to banks is as noted hereunder. This method is recommended by the SAIA

- a. Delete the pre-printed words "or bearer". This limits the possibility of the drawee bank paying out to a bearer who might not be entitled to payment.
- b. If instead of "or bearer" your cheque has pre-printed on it "or order" these words must also be deleted.
- c. Write on the face of the cheque the words "not transferable".
- d. Cross the cheque by drawing two parallel lines across the cheque.
- e. Write the words "not negotiable" between the two parallel lines referred to in (d) above.
- f. Ensure that the payee is accurately, properly and fully described. For example, where the payee is a company its full name should be used: RH Jones (Pty) Ltd not just RH Jones.

Where the bank account number or CC number of the payee is known this should be included after the name of the payee, for example, "RH Jones (Pty) Ltd, Co No: 69/123456" or "RH Jones (Pty) Ltd ABC Bank account no: 123456789".

Whilst highly recommended it is not compulsory to use the bank account number of the payee.

- g. In drawing the cheque no spaces should be left which would allow anyone to add extra words or figures.
- h. An example of this method of drawing a cheque is attached as Annexure A.
- i. On the front of the cheque the wording listed in Annexure B (last page of this section) should be printed. Please ensure that space is left on the rear of the cheque for bank stamps and endorsements.
- j. All the markings on a cheque should be legible and clearly visible. Persons drawing cheques should not use abbreviated or different versions of the terminology used in the example. The words “not neg” and a crossing using a rubber stamp containing a rectangle rather than two parallel lines are worthless.
- k. The method used to complete cheques should be one which makes an ink impression on the paper, like handwriting, a typewriter or a dot matrix printer. The ribbon used on the printer/typewriter should be of the type which impregnates the paper with ink. Do not use
 - i. old ribbons.
 - ii. laser printers which do not make an impression into the paper.
 - iii. the “reverse printing technique”.
 - iv. correctable type ribbons.

2. Printing of blank cheques

Blank cheques should only be printed by the bank itself or a printer licensed by the Automatic Clearing Bureau. These printers know the recommended requirements of banks and should only use approved

- a. security paper (CBS1 or superior).
- b. security designs.
- c. special security inks compatible with the security paper/design.
- d. methods which make it difficult for anyone to make a supply of blank cheques by photocopying the originals.

ANNEXURE B – SAIA RECOMMENDED CHEQUE

WARNING

To person encashing this cheque or receiving it in exchange for any consideration

2. provision for devaluation or revaluation of the currency of the Republic of South Africa against that of the country of origin of the property insured and other inflationary trends, which may result in the escalation of the sum insured (representing the installed new replacement value) of the property insured;

Provided that the increase shall not exceed, by more than 25%, the total sum insured for sub-section A specified in the schedule, it being agreed that the insured will advise the company of such alterations after the expiry of each period of insurance and pay the appropriate premium thereon but not exceeding 50% of the difference.

Memo 2 – Prevention of access

If, during the indemnity period, the business at the premises is interrupted or interfered with in consequence of the insured being prevented from having access to the property insured situated at the premises caused by damage to property within a 20 km radius of the insured premises as described in the schedule by fire, lightning, explosion, storm, tempest, flood, water inundation, earthquake or impact by vehicles, the company shall indemnify the insured for loss resulting from such interruption or interference in accordance with the provisions contained herein,

2. replacement or upgrading of legal programs to achieve compatibility with the modified or altered electronic system;
3. the restoration of previously captured data which has become inaccessible due to the modifications to or alterations of the electronic system or in consequence of the replacement or upgrading of legal programs;

provided always that

2. such additional costs shall be incurred as a direct consequence of indemnifiable loss or damage in terms of sub-sections A or B (item 2) of this section.
3. the cover afforded hereunder shall be restricted to
 - a. parts or components of the electronic system which are not indemnifiable under sub-section A hereof.

Umbrella liability section

1. Cover summary

Within the limits of the insuring clause this section provides indemnity in the following circumstances;

1.1 Excess layer protection

where the claim is prima facie covered by the terms of any of the policies listed as scheduled underlying insurance, then this section operates only to the extent that the claim is not met by such underlying insurance solely because of the inadequacy of the underlying indemnity limit;

1.2 Difference in cover protection

where the claim is within the scope of the operative clause of any scheduled underlying insurance, then this section operates only when such claim is rejected by the underlying insurers because of an underlying policy term, condition or exclusion;

1.3 Additional risk protection

where the claim is outside the scope of the operative clause of any scheduled underlying insurance, then this section operates within the limitations of its own insuring clause;

This clause is intended to provide a summary of the cover only and does not modify, alter or extend the specific terms, conditions and exclusions of this section, which remain paramount.

2. Insuring clause

The insured is indemnified up to the limit of indemnity against the legally enforceable consequences of causing Injury, damage or malice or providing negligent advice (all as defined in clause 3), in the course of carrying out the business, but only in respect of resultant claims made by others for compensation, damages, costs, fees and expenses, and in accordance with the law of any country but not in respect of any judgement, award, payment or settlement made within countries which operate under the laws of the United States of America, Canada or Australia (or to any order made anywhere in the world to enforce such judgement, award or settlement either in whole or in part).

The indemnity provided herein applies only to claims first made against the insured during the period of insurance on or after the retroactive dates shown in the schedule and arising out of the business specified in the schedule.

All costs reasonably and necessarily incurred, with the company's prior written consent, in defending or settling such claims will be paid by the company, as will costs of legal or similar representation at any inquest or other official enquiry into any incident which the company agrees might give rise to a valid claim under this section, subject to clause 5.7. ("Defence Costs")

3. Definitions

For the purpose of this section, wherever they appear, the words or terms below shall be interpreted as follows:

- 3.1 "Injury" is death, injury, illness (mental and physical), disease, assault, false imprisonment or arrest of or to any person.
- 3.2 "Damage" is loss or damage to tangible property, trespass, nuisance or wrongful interference with the enjoyment of rights over tangible property.
- 3.3 "Malice" is malicious legal proceedings, malicious falsehood, defamation, unfair competition or infringement of copyright, title, slogan or idea.
- 3.4 "Negligent Advice" is incorrect or inadequate advice given in the promotion of the insured's products, but without expectation of any other reward.
- 3.5 The "Business" as stated in the schedule, but also includes all organisations or functions operated for the benefit of the insured's employees or visitors or for the protection or promotion of the insured's activities.

- 3.6 "Product" is any article after it has left the custody or control of the insured which has been designed, specified, formulated, manufactured, constructed, installed, sold, supplied, distributed, treated, altered or repaired by or on behalf of the insured.
- 3.7 "Occupational Illness" is illness or disease (including subsequent disablement or death) sustained by any employee of the insured which arises out of such person's employment.
- 3.8 "Pollution" means pollution or contamination of the atmosphere or of any water, land or other tangible property.
- 3.9 "North American or Australian Jurisdiction" is any judgment, award or settlement made within countries which operate under the laws of the United States of America, or Canada or Australia, or any order made anywhere in the world to enforce such judgment, award or settlement, either in whole or in part.
- 3.10 "Claims Series Event" is any claim or series of claims arising from one common cause or source.

4. Limit of indemnity

- 4.1 The company's liability during the period of insurance to pay the sum of all:
 - a. compensation, damages, claimants' costs, fees and expenses, and
 - b. defence costs incurred in connection with claims under the North American or Australian Jurisdiction, and
 - c. defence costs which are subject to the provisions of Clause 5.7 shall not exceed in the aggregate the Limit of Indemnity shown in the schedule.
- 4.2 The Limit of Indemnity shall apply separately to:
 - a. the total of all claims arising out of or in connection with products;
 - b. the total of all claims arising out of or in connection with occupational illness;
 - c. the total of all claims which are subject to the provisions of clause 5.6;
 - d. the total of all claims which are subject to the provisions of clause 5.9;
 - e. each and every claims series event not subject to the above provisions.

5. Excess layer protection

In respect of any claim which (during the period of insurance) is partially indemnified by any scheduled underlying insurance, this section operates to the extent that the claim is not met by underlying insurance because of the inadequacy of the underlying Indemnity limit. The company agrees to follow the interpretation of the underlying insurer subject always to the insuring clause and the terms, conditions, and exclusions of this section.

- 5.1 Any decision of the underlying insurer to accept a claim "ex gratia" or "without prejudice" shall not be binding on the company.
- 5.2 No action or decision of the underlying insurer which prejudices the company in the conduct or settlement of any claim under this section shall be binding on the company.
- 5.3 Clause 5 provides indemnity:
 - a. in excess of the indemnity limit stated to apply to the scheduled underlying insurance, except where reduced or exhausted by reason of payment, when the limit of indemnity of this section will be in excess of the residual limit (if any).
 - b. for defence costs where not recoverable from an underlying insurer. At the maximum these will be in direct proportion to the company's liability to pay compensation, damages, claimant's costs, fees and expenses.
- 5.4 Where the indemnity limit of the scheduled underlying insurance is exhausted by reasons of claims thereunder which are also indemnified by this section, the company will continue to follow the interpretation of the underlying insurer, subject to clause 4.1 and 4.2.
- 5.5 Where the indemnity limit of the scheduled underlying insurance is exhausted by claims thereunder, the company will interpret this section as if the underlying insurance was still in force in respect of any claims which would otherwise have been indemnified by such insurance.

- 5.6 Where the scheduled underlying insurance contains an aggregate indemnity limit, then similarly the limit of indemnity under this section shall be deemed to be in the aggregate.
- 5.7 Where the scheduled underlying insurance indemnity limit includes defence costs, then similarly the limit of indemnity under this section shall be deemed to include defence costs.
- 5.8 Where the insured is indemnified by a policy not listed as a scheduled underlying insurance, then the company may at their sole option deem such policy to be an underlying insurance, in which event the provisions of this clause 5 will apply.
- 5.9 Where the Insurers of a scheduled underlying insurance refuse a claim because:
- a. the loss did not occur, or
 - b. the event did not occur, or
 - c. the claim was not made
- during the policy period (as the case may be) but the claim is indemnified by a preceding policy, then such policy shall be treated as a scheduled underlying insurance, subject to the indemnity limit of that policy being deemed not less than the indemnity limit of the relevant schedules underlying insurance, without allowance for any reduction or exhaustion of such indemnity limit. This section will only respond once to the provisions of the clause, that is, only one policy may be deemed to be a scheduled underlying insurance in respect of any claims series event.

6. Difference in cover protection

Where a claim is indemnifiable during the period of this section by the insuring clause of a scheduled underlying insurance, but is excluded by a policy term, condition or exclusion, this section will indemnify the insured in accordance with this section's insuring clause, subject to the terms, conditions and exclusions of this section.

This section will not provide an indemnity where a claim is not indemnifiable by the insuring clause of a scheduled underlying insurance except where:

- a. the injury or damage was not accidental by nature, or did not arise out of an accident;
- b. the temporary loss of use of property or reduction in value of property did not constitute "damage" within the terms of the operative clause of the scheduled underlying insurance;

subject always to the provisions of exclusion 11.5

Where such a claim arises out of the failure of a product to perform as specified, warranted or guaranteed or to fulfill its intended purpose, then the provisions of clause 6.5 apply in so far as they can.

- 6.1 Where a claim is not excluded by the insuring clause of a scheduled underlying insurance, but the indemnity limit of such underlying insurance has been exhausted by reason of other claims and where, in the opinion of the company such claim would have been excluded by a term, condition or exclusion of the underlying insurance, the provision of clause 6 will apply.
- 6.2 To determine the basis of indemnity granted by this section, the company will follow the insuring clause of the appropriate scheduled underlying insurance (to the extent that such underlying insurance grants coverage against the consequences of injury, damage, malice or negligent advice) being either:
- a. injury, damage or malice occurring or negligent advice given during the period of insurance (losses occurring); or
 - b. injury, damage or malice resulting from, or negligent advice resulting in an event occurring during the period of insurance (events occurring); or
 - c. claims made against the insured during the period of insurance following injury, malice or negligent advice (claims made)
- 6.3 For the purposes of clause 6, the interpretation of the underlying insuring clause will be the decision of the company, not the underlying insurers.
- 6.4 If the underlying insuring clause states that claims resulting from continuous or continual ingestion, inhalation, absorption, or application of any substance or condition are insured on

a “losses occurring” basis, for determining whether indemnity is granted by this section, the company will deal with such claims under clause 6 on the following basis:

- a. injury shall be deemed to have occurred when the claimant first obtained medical advice or treatment for the Injury, whether or not the Injury was correctly diagnosed at the time.
- b. damage shall be deemed to have occurred when the claimant first became aware of the existence of the damage

- 6.5 If the underlying insurer repudiates a claim on the basis of an exclusion relating to the failure of a product to perform as specified, warranted or guaranteed, or to fulfill its intended purpose and such underlying insurance is on a “losses occurring” basis and the insured and the company cannot mutually agree when the loss occurred, then the company will deal with the claim on the basis that the loss occurred when the claimant first notified the insured of a circumstance or an event which subsequently gave rise to the claim.

7. Additional risks protection

The insured is indemnified by this clause in accordance with the insuring clause, other than for claims which are indemnifiable in whole or in part by clauses 5 or 6 of this section or by any other insurance, subject always to the terms, conditions and exclusions of this section.

- 7.1 The indemnity granted is limited to claims made against the insured during the period of insurance, or any circumstance or event which the company accepts may give rise to a claim of which the insured first became aware and notified to the company during the policy period.
- 7.2 No indemnity is provided by this clause if the insurers of a scheduled underlying insurance decline a claim on the grounds that the injury, damage, malice, negligent advice or event did not occur or the claim was not made, during the policy period (as the case may be).
- 7.3 No indemnity is granted by this clause against liability:
 - a. arising out of the ownership, possession or use by or on behalf of the insured of any motor vehicle or trailer;
 - b. for injury to any person who is engaged under a contract of employment or apprenticeship.

8. Protection of other parties

The indemnity given to the insured is also extended to:

- 8.1 Directors, partners or employees of the insured in their business capacity arising out of the performance of the business;
- 8.2 Any person or party to the extent that any contract entered into by the insured requires that such indemnity is given;
- 8.3 The personal representative of any person or party indemnified

These persons or parties are subject to the terms, conditions and exclusions of this section in so far as they apply.

9. Cross liabilities

The insured and person or parties indemnified by clause 8 are separately indemnified in respect of claims made by one against the other, subject to the company's liability not exceeding the Limit of Indemnity .

For any injury, damage, and malice or for the provisions of negligent advice which occurs before the retroactive date which is applicable to the underlying insurance or as stated in the schedule, whichever is the later. For the purpose of this clause, where any injury or damage resulting from continuous or continual, ingestion, absorption, or application of any substance or condition and where the insured and the company cannot mutually agree when the injury or damage occurred, then:

- a. injury shall be deemed to have occurred when the claimant first obtained medical advice or treatment for the injury, whether or not the injury was correctly diagnosed at the time;

If the company alleges that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the insured.

12. Conditions

12 a. General conditions

(Conditions 12.1 to 12.8 are precedent to the company's liability to provide indemnity under this section)

- 12.1 "Premium is payable on or before the inception date or renewal date or installment date as the case may be. The company shall not be obliged to accept premium tendered to them more than 15 days after such date but may do so upon such terms as they in their sole discretion may determine.
- 12.2 Written notice must be given to the company as soon as possible of any event that may give rise to a claim under this section and such further information as the company may reasonably require. Every claim, writ, summons or process and all related documents must be forwarded to the company as soon as possible.

Inadvertent failure to comply with this condition because the insured could not reasonably have anticipated that the event would give rise to a claim under this section will not be construed as a breach of this condition.
- 12.3 No admission, offer or payment which results in a claim under this section may be made or given by or on behalf of the insured or the insurers of any scheduled underlying insurance policy without the written consent of the company. The insured will take all reasonable steps to ensure that the underlying insurers will co-operate with the company in the defence and settlement of any claim which is indemnifiable both by a scheduled underlying insurance and this section, and in the exercise of any subrogation rights. The costs incurred in exercising such rights and any amounts recovered shall be apportioned to each party according to the sums paid or payable under the respective policies.
- 12.4 In respect of any claim not covered at least in part by the scheduled underlying insurances, the company may take over and conduct in the name of the insured the defence or settlement of any claim or prosecute in the name of the insured for their own benefit and will have full discretion in the conduct of any proceedings and in the settlement of any claim. The insured will give all necessary information and assistance.
- 12.5 The insured must throughout the whole period of this section advise the company as soon as possible of anything which they reasonably believe will materially change the information in the proposal form and any additional information that was originally presented to the company, including (but not limited to) any alteration in the terms and conditions of the scheduled underlying insurance. Pending agreement by the company hereon to any change in the scheduled underlying insurance, cover by this section shall remain in force as if no such change had occurred.

- 12.6 Indemnity will not be provided under clause 5 until the relevant underlying insurers have agreed to pay the underlying indemnity limit as defined in 5.3 (a).
- 12.7 The indemnity granted is conditional on the scheduled underlying insurances remaining in force throughout the period of this section for the indemnity limits shown in the schedule (other than where exhausted or reduced by claims)
- 12.8 The policy and schedule will be interpreted in accordance with the laws of the Republic of South Africa. The insured and the company submit to the exclusive jurisdiction of any court of competent jurisdiction within the Republic of South Africa.
- 12.9 Where the limit of indemnity under this section involves the company paying defence costs in addition to the limit of indemnity, then the company may at any time pay the limit of indemnity applying to any claims series event (after deduction of sums already paid), or any lesser amount for which claims can be settled and shall then be under no further liability in connection with such claims except for the company's proportion of defence costs incurred prior to the date of payment.

If the amount required to dispose of any claim series event exceeds the limit of indemnity and the excess amount is either wholly or partially insured, the company will be liable for defence costs in the same proportion as the amount payable for the claims series event bears to the applicable scheduled underlying insurance indemnity limit, including the company's proportion of subsequent defence costs incurred with their prior written consent after the company has exercised its rights under this clause subject always to clause 3.

- 12.10 If indemnity is sought by any fraudulent means this section will automatically and without further notice be deemed void.
- 12.11 Where the premium is provisionally based on estimates, the insured shall keep accurate records and after expiry of each period of insurance declare as soon as possible such details as the company requires. The premium will then be adjusted and any difference paid by or allowed to the insured, subject to any minimum premium that may apply.
- 12.12 This section and the schedule shall be read together as one contract and any word or expression to which a specific meaning has been attached in any part of this section or the schedule shall bear such specific meaning wherever it may appear.
- 12.13 Either the insured or the company may cancel this section by giving sixty days notice in writing to the registered office of the other party, in which event the premium will be adjusted by the provisions of clause 12.11, except that:
- a. any minimum premium will apply on a proportionate basis to the period the company was actually on risk;
 - b. if the premium is unadjustable a return premium proportionate to the cancelled period will be due to the insured.
- 12.14 Unless otherwise provided, nothing in this section shall give any rights to any person other than the insured. Any extension providing indemnity to any person other than the insured shall not give rights of claim to such person, the intention being that the insured shall claim on behalf of such person. The receipt of the insured shall in every case be a full discharge of the company.

12. b. **Specific conditions**

1. Any claim made in writing against the insured as a result of a defined event reported in terms of general condition 12.2 (hereinafter termed reported event) shall be treated as if it had first been made against the insured on the same day that the insured reported the event to the company
2. In the event of cancellation or non-renewal of the section;
 - a. any claim resulting from a reported event, first made in writing against the insured during the 48 months immediately following cancellation or non-renewal shall be treated as having been made against the insured on the same day that the insured reported the event. If the claimant is a minor, the period of 48 months will be extended until the expiry of 12 months after the attainment of majority by the claimant.

- b. the insured may report an event in terms of general condition 12.2 to the company for up to 30 days after cancellation or non-renewal provided
 - i. such event occurred during the period of insurance;
 - ii. any subsequent claim first made in writing against the insured as a result of such event shall be treated as if it had first been made on the last day preceding cancellation or non-renewal and is subject to the 48 month period specified in 2 (a) above.
- 3. Any series of claims made against the insured by one or more claimant during the period of insurance consequent upon one event or series of events with one original cause or source shall be treated as if they all had first been made against the insured
 - a. on the date that the event was reported by the insured in terms of general condition 12.2 or
 - b. if the insured was not aware of any event which could have given rise to a claim on the date that the first claim of the series was first made in writing against the insured.

13. Special provisions

This insurance is governed by the laws of the Republic of South Africa whose courts shall have exclusive jurisdiction in any dispute arising hereunder.
